

No Excuse Needed — 6 winners this week

6 Winners this week for No Excuse Needed

The **G1** sire **No Excuse Needed** (aka Rowdy) notched **6** winners over the past week.

The Champion sire of 2YO's got the ball rolling at Amberley RC last Saturday with **Diplomacy** and **Flying Alibi**, and before the day was out, counted **Glitter Lady** in Europe also. **Red Adventure** then added to the list at Otaki on Sunday, preceding the efforts of **Ruse de Guerre** in Brisbane on Wednesday and **Tristan's Choice** at Oamaru yesterday.

To date, **No Excuse Needed** has been best represented by the triple **G1** winner **Daffodil** and by the Karaka Million hero **Vincent Mangano**.

At the 2011 yearling sales, his progeny averaged \$55,500 - ensuring a return of over 4 times his applicable service fee.

The super consistent sire has 11 runners hitting the track this weekend.

Meet Douglas

Meet **Douglas** (named after Douglas Duncan – Hope you get well Duncan after your accident!). He is Waikato Stud's new teaser pony.

By definition he is an exciting new addition to the 'Boys' roster and has an important job to do. The blue eyed charmer stands just 11hh and is keen as mustard to meet your mare.

Whilst Waikato concedes his pedigree is unspeakable and his conformation pint-sized, we're pretty sure she's going to love him.

Mark's Mail

Great week for **No Excuse Needed**, who consistently keeps leaving the winners.

Got the inside word from the Baker Boys this week. Sounds like **Scaredee Cat** could be in for another winner this weekend with **Mosh Pit** in the third at Whangarei.

Have a great weekend!

M.
