## Mark's Mail

Ange put together a list of WS's 2011 highlights today and I have to say I'm amazed - there are three pages of the things. It really has been a terrific year!

If you have a look through the list below you will see win after win by client-bred horses that are by our sires. Just the way it should be I reckon!

We take great pride in the success of our supporters and look forward to doing exactly the same in 2012.

Wishing you all the happiest of New Year's and a prosperous 2012!

Mark.
